

## **WARREN SENIOR CITIZEN PROPERTY TAX WORK-OFF ABATEMENT CRITERIA**

Taxpayers must be over 60 years of age.

Taxpayers must be the assessed owner and occupant of the property on which the tax to be abated is assessed before and after the work has been performed.

All taxes on the property and any other taxes payable to the "Town of Warren" must be current.

Only one qualifying owner of the parcel may earn an abatement, per year.

As demand deems necessary a waiting list will be created to allow all residents the opportunity to use this program. When a person finishes their year they will go to the end of the list so as to allow other taxpayers the opportunity to benefit from this tax abatement program.

Generally, work to be performed is clerical in nature and applicants are expected to be able to perform such duties.

It is the volunteer's responsibility to return the signed hourly timesheets to the Selectmen's Office on a weekly basis.

All volunteers should check with their accountants as to their tax liabilities, i.e. federal tax.

Total abatement is Five Hundred dollars and zero cents (\$500.00). The rate is \$8.00 per hour for a total of 62.5 hours. NO PRO RATING; all 62.5 hours must be completed to earn the tax abatement.

This is a volunteer position and is not subject to any benefits.
